BEGASHAW AYELE, PRO SE

Plaintiff

Vs

COGNSIA SECURITY CO. INC.

Defendant

CIV. ACTION NO. 04- 12217PBS

MOTION FOR FILING PLAINTIFF'S PAPERS
WITHOUT ELECTRONIC SYSTEM.

I, the plaintiff for the above referenced captioned case respectfully request this court to File all of my papers in this case without electronic filing requirement due to the lack of reliable equipment at present time. The computer I used to write including all the papers I filed in this court is written in an old computer which is not compatible to any contemporary Internet version, and therefore, I should have to travel a mile or two to access computers at a public liberally. This is hard to me specially when I try to waste my time for this while I am in between job search and multiple other personal problems. For the reason explained above, I therefore request the court to file all my papers manually.

Respectfully submited,

Dated
